BEHAVIOR PRODUCTS FOR DOGS

Gentle Leader Headcollar-

- Inspire by harnesses that have been used on horses for hundreds of years
- Good for any size dog
- Fits high on the neck and loose on the nose - safer than choke chains and pinch collars
- No pressure on the trachea

Gentle Leader Easy Walk Harness -

- Deters the "Opposition Reflex" the urge for dogs to pull more against pressure as with traditional harnesses
- Redirects the point of control giving you more leverage

D.A.P. (Dog Appeasing Pheromones) Diffuser

- similar to Feliway for Cats
- Releases pheromones that comfort dogs of all ages
- Reduces and stress in new situations

Citronella Bark Collar

- Emits a harmless citrus smell as the dog barks to discourage the behavior
- Quick action of the spray mist startles and confuses the pet's highly developed olfactory sense

Toys! Toys! Toys!

- Toys create something for a dog to focus on.
- A lot of unwanted and destructive behaviors come from doggy boredom.
- A long walk and a good amount of playtime with some fun toys will provide your dog with satisfaction and you get some quality time with your pooch.
